Creating Student Bio Form - with HTML & CSS

HTML

```html
<!DOCTYPE html>
<html lang="en">
<head>
    <title>Student Bio</title>
    <style>
        body {
            display: grid;
            place-items: center;
            background: #1E1E1E;
            color:white;
            font-family: sans-serif;
        }
        main > form > * {
            border: 1px solid #626262;
            border-collapse: collapse;
            padding: 20px;
        }
        label {
            margin-right: 10px;
        }
        button {
            padding: 10px;
            margin: 20px 0 20px 175px;
        }
    </style>
</head>
<body>

    <header>
        <h1>Student Bio</h1>
    </header>

    <main>
        <form>
            <div>
                <label>Name: </label>
                <input type="text" placeholder="Enter your name" required>
            </div>
